

## AN INTRODUCTION

---

Welcome to the bar at Woolloomooloo Steakhouse. If you are new to Singapore, we would like to offer you a very warm welcome. Felix & Mel are our managers and both of them are gracious food & beverage professionals. Do ask for them if you need any assistance or information about our menus or about this beautiful little island we call home.

You are seated at an the extension of Woolloomooloo Steakhouse, a sprawling 6500 sqft restaurant that seats 140 pax.

At the bar, you will find an exciting list of original concoctions from our dedicated mixologists, iconic classic cocktails like that Dirty Martini with blue cheese olives and an incredible wine by the glass program that features delicious wines at phenomenal prices.

We want you to come back more often and as such you should note two things in particular. We went down on our pricing and have gone up on our pouring to 45ml which is 50 percent more than the standard pour in Singapore.

We hope you have a wonderful experience with us at Woolloomooloo Steakhouse always and if we should ever fall short for any reason, we want to know about it.

*Noel Emmanuel*
